

Horizon Europe

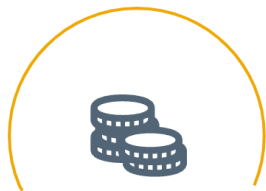

Horizon Europe what is it?

Horizon Europe is the European Union's key funding programme for research and innovation. From 2021 to 2027, its budget of €95.5 billion will help strengthen the EU's scientific and industrial excellence and raise its competitiveness and growth while tackling key global societal and environmental challenges.

Why apply to Horizon Europe calls ?

Participating in a Horizon Europe project offers you access to substantial advantages.

FUNDING

Receive grants covering up to 100% of eligible costs, including personnel, equipment, travel, and other project expenses.

COLLABORATION

Collaborate with top-level organisations all over Europe, leading to new ideas, shared expertise, and expanded networks.

INTERNATIONAL EXPOSURE

Showcase your research and innovation on an international stage to gain visibility and recognition.

INNOVATION

Address global challenges and improve EU quality of life, work on cutting-edge projects for a significant impact on society.

Euroquality in Horizon Europe

With a success rate three times higher than the European average on Horizon Europe and its

Who can apply to Horizon Europe

Any legal entity from one of the EU Member States and Associated Countries can participate in a Horizon

predecessor, the H2020 programme, and continuous monitoring of the various EC working groups, Euroquality is armed to support its partners in the setting up of successful projects!
